### **The Bellamy Team Named to the 2017 REAL Trends America's Best Real Estate Teams**

(North Myrtle Beach, S.C.—Aug. 3, 2017—The Bellamy Team of CENTURY 21 Thomas was named one of America's most productive sales teams as a part of REAL Trends America's Best Real Estate Teams, the newly issued ranking report produced by REAL Trends and sponsored by Zillow Group. The Bellamy Team is now a member of the "America's Best Real Estate Teams," and ranked number 48 for the state of South Carolina.

REAL Trends America's Best Real Estate Agents ranks over 12,600 residential real estate professionals solely based on their excellence in real estate sales during calendar year 2016. All production numbers are independently verified by a third-party in order to ensure accuracy and report integrity. "This group of highly successful real estate sales agents represents less than 1 percent of all real estate practitioners in the United States," says Steve Murray, publisher of REAL Trends America's Best Real Estate Agents and president of REAL Trends.

To qualify for inclusion, an agent must have closed at least 50 transaction sides or \$20 million in sales volume in 2016. For real estate agent teams, the minimum is 75 transaction sides or \$30 million in closed sales volume. The individuals ranked in America's Best Real Estate Agents had an average of 73 transaction sides and an average sales volume of almost \$37 million. Teams ranked in America's Best Real Estate Agents had an average of 144 sides and an average sales volume of almost \$61 million. This ensures that only the best of the best are included on the prestigious list.

"The average residential real estate agent in the United States closed 8.6 transactions in 2016 and had less than \$1.3 million in sales," said Murray. "To say that the Bellamy Team is an exceptional team is an understatement. To attain this level of sales is truly outstanding."

"I am honored for my team to be recognized on this ranking of the country's top residential real estate agents," said Bellamy. "It reinforces the time and effort that we dedicate to the clients we serve. I'm proud of my fellow real estate professionals and grateful for their hard work and commitment."
